NINE LIVES

To celebrate nine years of Subtitle, we have taken 9 of the most popular films since 2012 – based on audience feedback – to screen again during the week; they're terrific movies with one or two surprises tucked in there too.

SUBTITLE CHOICE

We have screened over 300 films since 2012; so– in addition to Nine Lives – we sat down to choose 8 films that we have been particularly proud to have presented in Kilkenny.

Information correct at time of going to print.
